Online Lunch Delivery Program

Uptons is pleased to begin service to the Marin Preparatory School. Our SchoolFoodies Online Lunch Delivery Program is an extension of our distinguished full-service cafeteria program and allows us to serve more schools and students than ever before.

- Our online “calendar based” menu allows you to select from a variety of daily hot entrées, or gourmet salads, sandwiches or wraps. Vegetarian selections are always available daily.
- Chilled seasonal fruit is included with all meals at no additional charge.
- Our recipes have been refined over many years, most are cooked from scratch.
- Our foods are low in sugar and contain no hydrogenated oils or trans fat.
- The majority of our fruits and vegetables are sourced from growers in Napa, Sonoma, Healdsburg, Salinas, Watsonville, and Gilroy. Our beef comes from Harris Ranch.
- There are no order minimums, order for one day, or the entire month.
- Packaging and utensils are made from recycled materials, biodegradable, or are recyclable.
- Flexible payment options, Paypal, major credit cards, or send checks.
- Meals are \$4.95 for K to 4th grade and \$5.45 for 5th grade and above, plus sales tax.
